The Manager,
Normex Valves Pvt. Ltd.,
Pune.

Subject: Performance of Normex ball non return
valve.

Sir,
We have fitted Normex make foot ball valve
& Normex ball non return valve on our 3HP
water pump supplying water to our overhead
water tanks.

Our previous avg. bill was 293 units/month.
Since last 4 months after fitment of your
valves our avg. bill come down to 205 units/month.
There is saving of 87 units/months.

We are satisfied with the performance
of your valves. In future we are introducing
these valves on other pumps. Also our
neighbor societies are also interested in
implementation. these valves.

Thanks.
