TO WHOM SO EVER IT MAY CONCERN

Dear Sir / Madam,

This is to inform you that, as a fire fighting equipments manufacturer and systems contractor, we are regularly purchasing NORMEX brand equipments such as Butterfly Valves, Ball type NRV, Wafer Check Valves etc from M/s.VGS Engineers, Chennai and using in our Fire Hydrant Projects. We are happy to commend the quality in manufacturing and design, performance are extremely good and we are satisfied more than 100%. In fact, after started using NORMEX, our maintenance work becomes very less.

We wish NORMEX to bring out more such useful products to the engineering world and beneficial to common mankind.

Thanking you.

Yours sincerely,  
For SAKTHI FIRE SAFETY EQUIPMENTS
